

EXAM SCHEDULER

With UniversiTools Exam Scheduler, automatically generate a 100% conflict-free exam schedule. Manage the interrelated variables and constraints of students, professors, and courses. Account for time restrictions, eliminate conflicts completely, and confine back-to-back exam scheduling to a preset level.

CLASSROOM SCHEDULER

Use UniversiTools Class Scheduler to automatically generate a schedule that allocates classes to rooms. Takes into account room student capacity, number of students per course, and course needs for certain facilities. Account for scheduling preferences, such as restricting classes to specific campus areas and buildings.

COMMON TIME LOCATOR

Schedule extra sessions or interchange certain sessions, when group(s) of students and professors seek alternative scheduling. Find free common time periods available to all. Make alternative scheduling a straight-forward task with UniversiTools Common Time Locator.

UniversiTools helps university administrators manage specific tasks in effective ways. Developed by White Mountain Technologies, this software suite stems from in-depth research and years of practical experience at universities.

CALENDAR GENERATOR

With UniversiTools Calendar, generate academic calendars for the years to come. Proactively plan in advance. Avoid running into the unfriendly situation of re-planning because you did not foresee or account for future activities, holidays, or events.

RESOURCE FACILITIES ALLOCATION

Use UniversiTools Resource Facilities Allocation to reserve and manage your campus facilities, such as lecture rooms, assembly halls, science and engineering laboratories, sports facilities, faculty housing, and the like. Optimize the allocation process and balance group and class needs for exclusive or shared access to facilities.

CAREER CENTER

Ensure effective communication and interaction among stakeholders in the internship or employment recruitment process: the university, students, and companies seeking new hires. Get insight into the process through deep-level reporting and analytics. Through UniversiTools Career Center, companies apply and post their vacancies. Students join the Center and post their qualifications. Company requirements and student postings are then matched.

ALUMNI CONNECTION

Maintain close ties with graduates from your university with UniversiTools Alumni module. Approach alumni methodically and appropriately for support and fundraising. Facilitate recruitment of your new graduates. Benefit from the valuable resources at your disposal.

DONATIONS, GRANTS, and SCHOLARSHIP MANAGEMENT

Seek and locate donors with UniversiTools Donations, Grants & Scholarship Management. Manage diverse types of donations and grants your university receives, allocate proper amounts to beneficiaries, and generate necessary statistics and reports.
